Dear Howard:

Enclosed are photostatic copies of boys' statements regarding their associations with Mr. Paul Unklesbay whom I wrote to you about on June 28th. These enclosures should give you the necessary information.

The case goes before Muni-court on July 28th. Hearing was held on July 5th. Mere nature of case and his former association with Ohio State Police has tended to quiet publicity down. Should there be any news releases on it, I will send copies, but I doubt it.

Trust that this closed the case for us.

Joe

VOLUNTARY STATEMENT — WAIVER OF RIGHT TO PRESENCE AND ADVICE OF A LAWYER FREE OF COST TO ME IF I AM INDIGENT

DATE 4-5-67 TIME 4[40] P.M PLACE City Hall Massillon

I, [redacted] am 14 years of age and my address is [redacted] Massillon, Ohio

I have been cautioned by Cameron H. Speck, who has identified himself as Juvenile Probation Officer, who has warned me as follows:

WARNING

I am a police officer. I warn you that anything you say will be used in a Court of law against you;
That you have an absolute right to remain silent;
That you have the right to the advice of a lawyer *before* and the presence of a lawyer here with you *during* questioning, and
That if you cannot afford a lawyer, one will be furnished for you free before any questioning if you desire.

I hereby state that I want to make a statement without a lawyer, that is to say, give up and do without the right to talk to a lawyer and ask his advice before I make a statement, and also I wish to give up and do without having a lawyer present with me during the time when questions are asked me and during the time when I answer those questions. I am willing to make the following statement to the above person, knowing that any statement I make may be used against me in Court and that I have an absolute right to remain silent.

I declare that the following statement is made of my own free will without anyone having promised me anything or offered out to me any hope of reward, and I make this statement without any fear of physical harm, without anyone having offered to do me any favor and without anyone promising me leniency.

I further state that I am able to read and write the English language and have completed 6 years of school.

I have known Mr. Unklesbay since I was in the 2nd grade. He started playing around with me, this I mean by playing with my privates, for about a year and a half. He started by first showing me some pictures of naked men and women. He then started by pulling down the zipper on my pants and began playing with me. This first time took place about a year and a half ago. The most recent time took place this past Saturday afternoon at Paul's house. Up till this past Saturday he has done this with me on many other occasions. There are at least 9 or 10 times that this took place in the living Room while all he had on was his bath robe. He has also asked me to suck his "peter" but I wouldn't. He did put his mouth down on my "peter" once, but this was about a year or so, ago.

On Saturday April 1st 1967 I first went to town with my grandparents, this was about 10 A.M. we got back home about noon. I then went directly over to

Paul's to get some money he owed me for playing with me. He owed me this money, a total of $1.50, for about 3 weeks, he had given me 50¢ the day he played with me and said he pay me the rest later. He usually paid me $2.00 for each time he played with me. When I first got to Paul's, he was shoveling dirt and [redacted] was rolling the yard. I then hopped on the roller with [redacted] and rode around the yard with [redacted]. We then rode over to where Paul was. I then got and talked with Paul about the money he owed me, meanwhile [redacted] went on riding the roller. Paul told me that he didn't have any money yet but his wife will have some later on. I then got back on the roller with [redacted]. After a few minutes [redacted] turned off the tractor and said he was going to look at some pictures. I knew what pictures [redacted] was talking about, they are the same ones that I saw. While they were gone I started the tractor and drove around awhile. Then I went into the basement of Paul's house. The first person I saw was [redacted] looking at the dirty pictures. These are the same pictures Paul showed me. I talked to [redacted] for just a few seconds then left. As I left Paul came back. I went back to ride on the tractor for awhile then left to go home to change clothes. After I had changed clothes I went back over to Paul's. When I got there Paul told me to go ahead

And he then unzipped my pants and he then started playing with my "peter" and he took my hand and placed it on his "peter". This took place for about 5 or 6 minutes. I then said that I wanted to go out and ride my bike. He told me to come back later to get the money he owed me. I then went out to go riding Robert Miller who was waiting for me. While I was in the basement with Paul, Mrs. Unklesbay was upstairs.

I haven't been over to Paul's since April 1st when this last act took place. I think that these things that I've done with Paul are wrong.
